

Patients are served without regard to age, race, sex, income, nationality, religious affiliation, disability or other circumstances.

Patients are treated with kindness, compassion and in a caring manner.

Patients always receive honest and open answers.

Patient information is held in strict and absolute confidence. Releases and permissions are obtained appropriately. Patient information is only disclosed as required by law and when necessary to protect the patient or others against imminent harm.

Patients receive accurate information about pregnancy, fetal development, lifestyle issues, and related concerns.

We do not offer, recommend or refer for abortions or abortifacients, but are committed to offering accurate information about abortion procedures and risks.

All of our advertising and communication are truthful and honest and accurately describe the services we offer.

We provide a safe environment by screening all volunteers and staff interacting with patients.

We are governed by a Board of Directors and operate in accordance with our articles of incorporation, by-laws, and stated purpose and mission.

We comply with applicable legal and regulatory requirements regarding employment, fundraising, financial management, taxation, and public disclosure, including the filing of all applicable government reports in a timely manner.

Medical services are provided in accordance with all applicable laws, and in accordance with pertinent medical standards, under the supervision and direction of a licensed physician.

All of our staff, Board members, and volunteers receive appropriate training to uphold these standards.
